1. I object to Mike Warble's testimony entirely on grounds his testimony lacked relevance to the alleged charge and Mike Warble lacks Personal Firsthand Knowledge of Christopher Robert Weast.
2. I object to Jeffery Cureton's statement of clear and convincing evidence on grounds that there wasn't any evidence entered on for the record during the alleged pretrial detention hearing.
3. I object to the presumption that I am a flight risk because ~~that~~ the alleged charge only carries a maximum of a 10 year sentence and it isn't an alleged drug charge.
4. I object to all testimony given by Aisha Saleem because attorneys claiming to represent can only present facts and factual evidence.
